

*“Clean and Sober Living
on the Road to Recovery...”*

Fairhaven House Vision

The vision of Fairhaven House is to provide a faith-based clean and sober living environment for individuals recovering from substance abuse or other addictive behavior. Fairhaven House believes in not only providing a safe and healthy environment for recovery, but to help individuals work through the root issues behind their addictions.

Fairhaven House Mission

- Provide low cost housing with utilities included.
- Provide an atmosphere of respect and honor.
- Teach Fairhaven House members how to transition into independent living.
- Help individuals to grow mentally, emotionally, and spiritually.
- Equip members to become a positive influence in society.
